Re: Request for Information Pursuant to Section 104 of CERCLA for Rose Exterminator Site
at 5421 Carthage Avenue in Norwood, Hamilton County, Ohio
Response of TSSGP, former general partner of TruGreen Limited Partnership

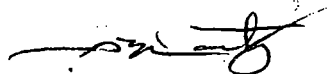

Dear Ms. Bensing:

I represent TruGreen Limited Partnership ("TruGreen") and am in receipt of the Request for Information regarding the above referenced site. TSSGP was dissolved on August 5, 1998. However, from June 30, 1993 until August 5, 1998, TSSGP was a general partner in both TruGreen and Terminix International Company Limited Partnership ("Terminix"). This letter will respond to the above referenced Request for Information insofar as it was directed to TSSGP as general partner of TruGreen. Terminix intends to respond separately on behalf of TSSGP as general partner of Terminix.

TruGreen has searched its records and has found no documents or information concerning the Rose Exterminator Site, nor any information indicating any relationship between TruGreen and Rose Exterminator Site. We found no documents or records indicating that TruGreen ever operated a business at the Carthage Avenue location, nor do we have any records indicating that the site was used as a storage facility, dump site, or for any other purpose by TruGreen. In addition, we have interviewed TruGreen employees that worked, and continue to work for TruGreen in the general area in Ohio, and none had any knowledge of the site.

We trust this response will satisfy your Request as far as TruGreen is concerned, but if you have any questions or concerns, please contact me at 901-597-1098.

Sincerely,

Thomas E. Courtney, Jr.
Vice President and Associate General Counsel
TruGreen Limited Partnership
